INTERNSHIP CERTIFICATE

Mr. Harsh Nerkar,

This is to certify that Mr. Harsh Nerkar, a student of S. B. Jain Institute of Technology, Management & Research, Nagpur, has successfully completed an internship at Kohli AI from January 01, 2026 to April 30, 2026.

During the internship period, the student worked on the project titled:

“Mental Health Awareness Using Agentic Artificial Intelligence”

The work involved research, design, development, and implementation of an AI-driven mental wellbeing support platform using a multi-agent architecture. The student contributed to modules related to conversational AI, safety-aware response handling, memory-aware interactions, Streamlit-based interface development, database integration, and system workflow implementation.

Throughout the internship, the student demonstrated sincerity, dedication, technical curiosity, and a willingness to learn emerging AI technologies. The assigned tasks and project responsibilities were completed satisfactorily.

We appreciate the student’s contribution and wish them success in their future academic and professional endeavors.

Best,

Komal Kohli
